- Welcome and introductions
- Intentions for a periodic VIC meeting
- Information on VIC members
- Resources available from IOSEM for local meetings and events
- Presentation by John Lambert
- Opportunities for members
- Open forum - members pose problems and seek experiences from others etc
- Confirm actions before next meeting
- Confirm date, venue, and concept for next meeting

### Our Speaker

John D Lambert B *App Sci*, *Dip Ed*, *MSc*, Industrial Chemist is currently Wastewater Officer at the South Gippsland Shire Council and is responsible for review and approval of Onsite wastewater systems for housing in South Gippsland as well as, development and application of processes to streamline the assessment of applications for on-site wastewater systems.

He is also a research assistant in the Engineering Department of Monash University, where he is assisting with research into the use of multi-walled carbon nanotubes in cement constructs and the development of Bio augmented cement (self healing cement).

With 29 years experience his expertise covers technical management of industrial waste treatment plants, R & D of Industrial waste & Waste Water treatment processes. He is experienced in laboratory management, emergency response to chemical incidents waste minimisation audits and environmental, quality & OHS compliance.

Ample street parking available or paid parking in the hotel. Arrive earlier if needing a meal, hotel restaurant and nearby cafe's available Convener: Pevlin Price 0403 027 786
